Natural Tunnel State Park

1420 Natural Tunnel Pkwy., Duffield, VA 24244

More than 850 feet long and 10 stories high, Natural Tunnel was naturally carved through a limestone ridge over thousands of years ago. William Jennings Bryan called it the "Eighth Wonder of the World." Other scenic features include a wide chasm between steep stone walls surrounded by several pinnacles, or ""chimneys."" Facilities include two campgrounds, cabins, picnic areas, an amphitheater, a visitor center, a camp store and a gift shop. You'll also find the Wilderness Road historic area and a chairlift to the tunnel floor. Guests enjoy cave tours and canoe trips on the Clinch River, as well as the Cove Ridge Center, which offers environmental education, conference facilities and overnight dorm accommodations.

Daniel Boone Wilderness Trail Interpretive Center

371 Technology Trail Lane, Duffield VA 24244

Facility of the Natural Tunnel State Park. The center has a museum, library, conference room, gift shop, and outdoor classroom. Various events, workshops, and programs, which are listed under Natural Tunnel's events, are held here. At the center, visitors learn about the important role Wilderness Road played in America's westward expansion. The museum focuses on the portion of the trail from Sycamore Shoals to Cumberland Gap and the brave men, women, and children who traveled it. There are several hands-on exhibits, such as striking flint and steel to get a spark and period-appropriate clothing for guests to try on. The library has books, photographs, and other information covering early America through the end of the Civil War.
